

MNT-EC Dissemination: Journal and Podcast

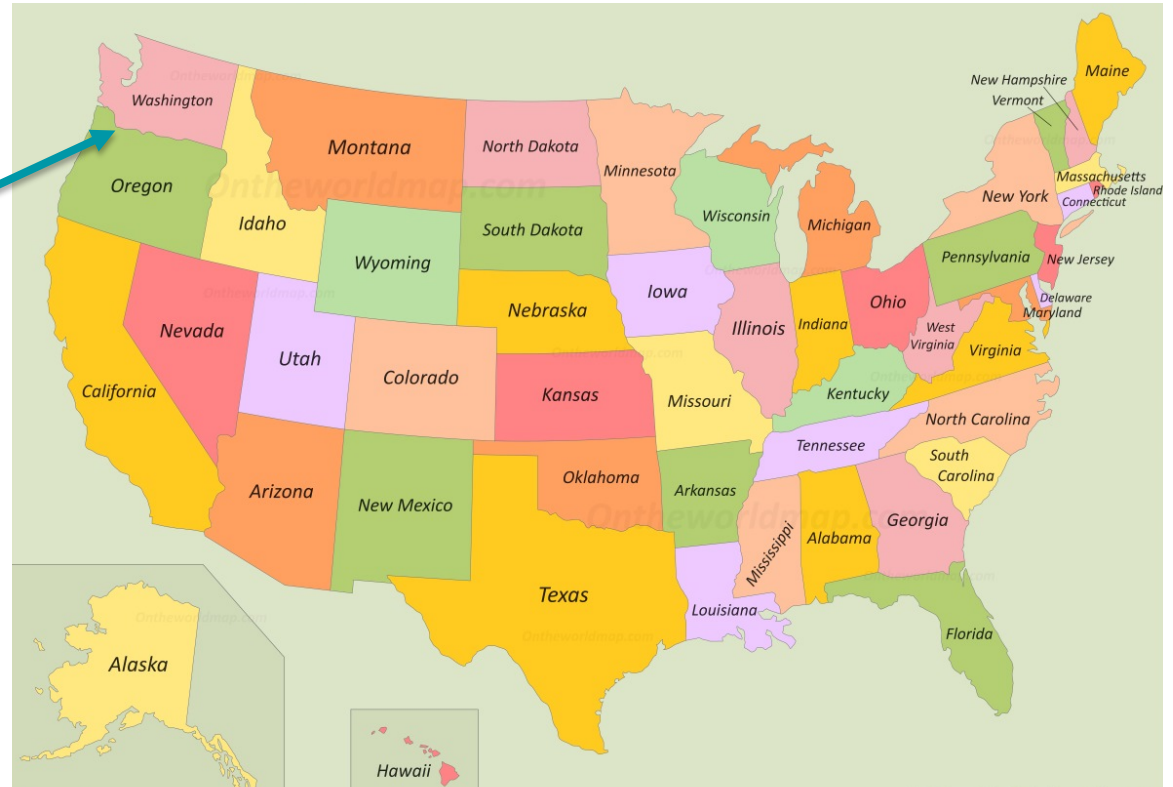

Peter Kazarinoff
Portland Community College

Wed Oct 14, 2020 9am-10am PST

Who am I?

Where are you?

Thee Take Aways:

1. The MNT-EC has a **journal**
2. The MNT-EC has a **podcast**
3. You can **contribute**

Take Away 1:

Journal of Micro Nano Technician Education

Something to think about:

Have you read a scientific or professional journal since college or graduate school?

Have you written a scientific or professional journal article since college or graduate school?

Why or Why Not?

Why publish?

Share you work with others

Collaborate with a colleague

Professional advancement

Grant proposals

Journal Article: Submission, Review, Publication

Poll Question:
Do you have access to peer-reviewed journals at
your institution

Take Away 2: Talking Technicians Podcast

What is a podcast?

Why a podcast?

Talking Technicians is a Podcast about Technicians

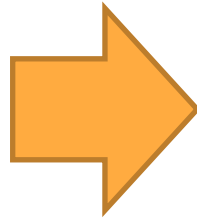

Each episode is an interview with a technician

Who are technicians?

Where do technicians come from?

What do technicians do?

How a podcast is made

Excerpt from Episode 1

Listen to the full episode Oct 31
