Discussion

- Cleaned up Sub Teams, added members, see above.
- Industry Involvement – Updated Demis on the team goals.
- Outreach – help folks with their programs/curriculum and bring in more folks to MNTeSIG
- Portland – any changes? –
 - Bob: Keep lightening round,
 - Sub Team Face to Face time for round tables, consider time to present out.

- Internet of Nanothings – BioMed. Sensors? - Will have offering for lightening round submissions.
- Posters? Team wants to keep this. Need to set up better – more dedicated time to view them. Competition would be good. Voting system needs improvement.
- Exec team for HI TEC update: reviewing submissions, March 5th will be notified, Registration soon after. Record number of session proposals!
- Teacher Workshop on Nano (Bob) – Industry Poll, around sustainability. In preparation for the April teacher workshop. Bob will provide a blurb for the survey request for us to send forward to our partners. MRSEC – Material Research Science and Engineering Centers is driving this.
- Bob will talk to Peter K. on possible Keynotes
- Next meeting – 11am Eastern time – Monday, three weeks from today – March, 23th

New Actions

- All Subteams – will meet before the next MNTeSIG meeting with input for the agenda
- Bob will get with Peter K. (Portland Community College) on possible keynotes for MNTeSIG
- MNTeSIG Planning Team – will meet March 2nd – Matt will send out invite by end of week. Bob, Matt, Jared, Cait and Kate.
- Next Meeting: March 23 – 11am Eastern (note earlier time)
- All – keep providing feedback for the Face to Face AND the Website

Actions from last meeting
